2.4 How to use the email updating function for AVCS and AIO 如何使用電郵更新 AVCS 及 AIO

1. Once you are setup to receive weekly updates on email, they will be sent out from <u>updates@marineupdates.com</u> on every Thursday. Depending on the capability of your email the files can be split up into several split files.

當設定為電郵更新,每週四伺服器 <u>updates@marineupdates.com</u> 會發出更新郵件。如果附件大小超出設定值,便會分割成多個檔案及郵件。
