

1.1 How to install and activate Direct Connect (DCS) Viewer offline 如何安裝及活激 **Direct Connect (DCS) Viewer**

1. From the installation media Run setup.exe
執行 setup.exe 進行安裝
2. Follow the guide given on the screen:
依照安裝精靈指示安裝 Direct Connect Viewer

3. Once the installer has finished, run the software from the new icon on the desktop:
安裝完成後，在桌面上執行 Direct Connect 程式：

4. Upon first run of the software you will be asked to activate:
首次執行時會要求活激：

The screenshot shows a window titled 'Activate' with a light blue background. It contains two input fields: 'Email address' and 'Password'. Below the 'Password' field are two buttons: 'Activate' and 'Forgotten password' with an envelope icon.

5. When your software is installed on offline pc you cannot use the online activation module, hence click the envelope. 

當安裝電腦有網路時，可以輸入電郵及密碼進行在綫活激。

否則，就要使用電郵進行活激 。

6. This brings up another activation option, insert your Startup Key (should you need same please contact support@hkshipsupplies.com.hk) once inserted click the Save Activation Request button.

使用電郵活激時，輸入 Startup Key，然後點擊 Save Activation Request。

The screenshot shows a window titled 'Activate' with a light blue background. It contains a 'Startup Key' input field and a 'Save Activation Request' button with a globe icon. Text above the field explains the process: 'Here you make and email a file to your chart distributor. Your distributor replies with an activation file. When you have an activation file drag and drop it onto here.'

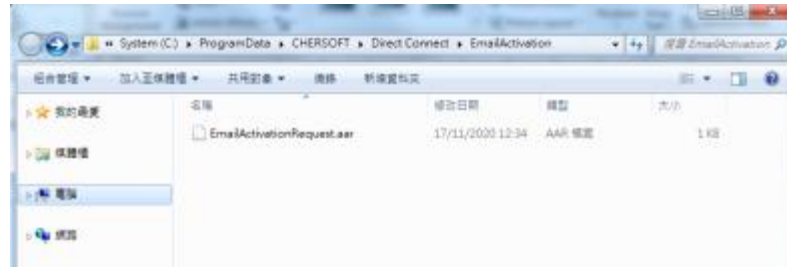

7. Once this button is clicked the window will look as below:
點擊後如下：

The screenshot shows the 'Activate' window after clicking 'Save Activation Request'. The 'Startup Key' field is now filled with 11 ones. Below the field is the 'Save Activation Request' button with a globe icon. At the bottom, there is text: 'Email the activation file to support@hkshipsupplies.com.hk' and 'Click the link to show the file [activationrequest.aar](#)'.

8. Click the blue text “activationrequest.arr” and Windows will open up the folder containing the file.

點擊 activationrequest.arr 文字便會打開活激文件的文件夾。

9. Email the file EmailActivationRequest.arr to support@hkshipsupplies.com.hk. And please remember to mention your vessel name in the email.

把活激文件發送到 support@hkshipsupplies.com.hk 進行活激。

10. We will revert with ActivationKey.aak file for your end.

伺服器會回覆一個 ActivationKey.aak 文件。

11. Save the ActivationKey.aak file onto your desktop and drag it into the blue activation field, which can look either way as below:

把 ActivationKey.aak 文件拖拉到活激範圍便可。

Or

12. Reboot the Viewer and you are now activated.

重新啟動程式。
